Predictions for USA for April 2019

By Mrs Radhika K and Dr. A.P. Rao, PhD (Astrology) and PhD (IIT)

Till 2019-04-06

A big conflict may arise within the administration at the top level and this may lead to drastic action of firing etc. Also, one of the big political name may be involved in a scandal and health of another big politician may cause serious worry. Markets and finances will be naturally down. Natural disasters may occur.

(CNN) — Department of Homeland Security Secretary [Kirstjen Nielsen](#) left Washington last Sunday for what was supposed to be a week-long trip to Europe. While there, Nielsen planned to discuss cybersecurity and terror threats with senior UK and Swedish government officials, and attend a meeting of G7 interior ministers in Paris -- providing her a temporary respite from the tense situation at the US Southern border, where a recent rise in migrant apprehensions had
